What can you give me today?

Feb

Like a trophy, a female figure w  
arms up holding a ball. There's wings  
on the figure open wide and up

Don't draw  
today

like a pegasus  
She throws the  
ball as if  
making a slot.

I keep  
hearing  
"golden  
globe"

The BB sails through  
the air and sinks into the basket,  
Swiss style. Then the ball drops  
down and rolls back on the ground  
like a bowling ball.

with  
this  
trophy

"Dick" heard while trying to make  
out the writing in scene.

"John Spira" waves rocking back  
and forth, like a "wake" from a boat,  
on shore. He's near the shore,

(155 waves)

"heard hole" writing. Earlier, I  
had the vision of the white animals paw  
w/ the black rails. (as w/ Joe Swift)
