6:00 PM

Lisa, what do you want
me to know?

just remembered the first image
I had was of someone whose face
was all distorted and mouth gagged
w/ a shop rag, green shop rag.

People square pushed into a round container.

then it's → Charcoal dark
Black/grey at first, it's a flat
Cell phone, then it's
a pack of cigarette.

"Paul Mall" ← "IQ"

"Find Me"

Where are you; where
am I going to find you?

just its
pink

two red (w/ skin tones in a cross)

push button

"push button controls"

forged steel - "felt below ground"

Hydraulic something

it's rotating or spinning

Sound of someone turning on a faucet
outside. squaky eee eee eee

hearing John Mayer

"say what you mean to say"
lyrics but don't know the words.
